Day's application to purchase that part of the quarter section in question South of the River. In reply the Agent advised the department that Mr.Scott's application was for the whole quarter section and that Mr.Day's application to purchase the portion thereof,lying South of the River,would appear to have been overlooked at the time,but he added that Mr.Scott application was prior to that of Mr.Day - both being on the same date.

I understood from what Mr.Day stated when here that the land applied for by Mr.F.L.Day was required in connection with a townsite adjacent thereto.

It is not contrary to the regulations of the Department to grant entry for a quarter section comprising land on both sides of a river,the restriction having been removed some ~~time~~ ago by Order in Council, but it is usual,where the land is crossed by a large stream,for the Agent to ask for instructions before granting entry,and no special instructions would appear to have been asked in this particular case.

I do not think,however,that Mr.Scott's entry could now be cancelled with respect to the part enclosed therein lying South of the River.

He adds that he is desirous of having scrip placed on his homestead,and if he were to lose the part across the River it would reduce the quarter section too much.

Re:- [illegible].

Sir,

Re N.W.¼-17-11-14-W.4th M.

Referring to your request for a renewal of your Certificate of Recommendation, I am directed to inform you that inasmuch as you yourself represent that the land has already been mortgaged, your purpose in applying for a renewal is not understood.

The purpose underlying the provisions of the Dominion Lands Act, under which Certificates of Recommendation are issued, is to enable the holder thereof to mortgage, assign or transfer his interest in the land held under pre-emption or purchased homestead entry, as the case may be, prior to the issue of patent and in that manner raise the necessary funds with which to discharge his obligations to the Department. On the execution of a mortgage, for instance, under these provisions, the mortgagor might be expected to protect his interest by registering the mortgage in the Land Titles Office, presenting to the Registrar as his authority, the Certificate of Recommendation. The fact that the Certificate of Recommendation issued to you has been returned to the Department in connection with your application for a renewal indicates that no mortgage has been actually registered against the land in the Land Titles Office. Furthermore, it appears that the object for a renewal of your Certificate of Recommendation may possibly be based on a desire on the part of the Canadian Bank of Commerce to use the same as collateral security for advances being made to you in connection with your farming enterprise.

Under the circumstances it is not considered that a renewal of your Certificate of Recommendation is warranted ~~and~~ in order to give you an opportunity of securing funds by harvesting another crop, it has been decided to grant you an extension of time for payment until the 1st November next. The Canadian Bank of Commerce at Taber is being furnished with a copy of this letter for their information.

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

Re: S.W. 17-11-14-W4

This Department has an old account against the above noted land for advances of seed grain, fodder and relief to J.B. Fallen in 1915 and 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Dear Sir:

Re: N.W. 17-11-14-W.4th.

We have your letter of the 25th of July, 1952, asking for an up-to-date statement of the amount charged against the above land. Our statement is enclosed herewith. We might say that it is the policy of this Department in the case where the land has not yet been patented to hold any charges against the land and to endeavour to collect them whenever the opportunity arises. We have found that we have not had too much success in getting our liens registered in Alberta when the patentee is not the person who obtained the liens. As a result of this we have had to write off a number of such accounts.

Dear Sir:

Dominion Advances

The above party obtained the following federal advances giving as security liens on the above land.

Relief [illegible]	[illegible]
Seed Grain 1915	150.00
Seed Grain 1922	65.00
	422.64
Interest to March 31/53.	722.08
	1,144.72
Payments	175.00
	1,[illegible]9.72

The debtor has long since disappeared and it is accordingly impossible to obtain any recovery under the personal covenant.

The S.E. 17-11-14-W.4th [illegible] or second homestead, entry to which was cancelled as of [illegible] records of the province as unpatented.

The S.E. 17-11-14-W.4th at one time stood in the name of the debtor but taxes were allowed to accrue with the result that the municipality eventually took title under the provisions of the Tax Recovery Act.

The St. Mary and Milk Rivers Development desired to obtain control of these two parcels in order to place the land under cultivation and has paid the Department of Lands and Forests a sum of Four hundred and eighty dollars ($480.00) for the N.E. quarter and the municipality Three hundred and ninety dollars ($390.00) for the S.E. quarter. These prices do not reflect the value of the land being only a normal sale price. In view of the basis of the sale the vendors have agreed to deliver title only subject to the Crown liens.

The Colonization Manager for the St. Mary and Milk River Development advises that in addition to the monies expended for the purchase of the S.E. 17-11-14-4

- 2 -

[illegible] of the irrigation works for 51 acres will amount to Three thousand eight hundred and twenty-five dollars ($3,825.00) the cost being divided between the Dominion and the province while the cost of land leveling will be Three hundred and six dollars ($306.00) making a total cost of bringing this quarter under irrigation of Four thousand one hundred and thirty-one dollars, ($4,131.00). The sale price has been established at Two thousand nine hundred and thirty-nine dollars and ninety cents ($2,939.90), with the result that a loss will be suffered in respect of this quarter of One thousand one hundred and ninety-one dollars and ten cents ($1,191.10) plus the original price.

The cost of irrigation works and land leveling in respect of the S.E. 17-11-14-W.4th will be Three thousand dollars ($3,000.00) and two hundred and forty dollars ($240.00) respectively, while the sale price will be[illegible] thousand seven hundred and ninety-four dollars and fifty cents ([illegible] and the loss Four hundred and forty-five dollars and fifty cents [illegible] plus the purchase price.

As the development of the St. Mary [illegible] only in an increase of the cost Project is a joint provincial-dominion [illegible] the requiring of a settlement of these federal advances [illegible] that the above account be written off of [illegible] project it is my recommending liens be discharged.

Asa J. Styles, Plaintiff,

vs

M. Lillian Styles and Cynthia J. Barnett, Defendants.

ANSWER.

Now comes M. Lillian Styles, defendant, in the above entitled action and for answer herein says:

-1-

Except as hereinafter admitted, qualified or explained, this defendant denies each and every allegation in the plaintiff's complaint, not hereinafter admitted, qualified or explained.

-2-

Defendant admits the allegations contained in paragraph 1 of the plaintiff's complaint.

-3-

She admits that a decree was made but denies that it was had wholly pursuant to stipulation entered into by the parties and alleges that the Court on entering said decree alleged in and partly referred to in paragraph 3 of the Complaint had in mind the good, mentally, morally and physically of said minor child and alleges that the said decree of divorce is more fully set forth in the records and among the files of said Court in the office of the Clerk of said Court in Minnewaukan, North Dakota.

-4-

And admits that said Asa J. Styles was absolutely divorced from said M. Lillian Styles and alleges that by the same decree, said M. Lillian Styles was awarded an absolute decree of divorce from the said Asa J. Styles and also awarded the care, custody and control and of the education of the said minor child until she reaches the age of fourteen years.

Knauf & Knauf
Attorneys at Law
Jamestown, N. D.

-5-

She denies that she now or at any other time intended to take or remove said child from the jurisdiction of the said Court without the consent or order of said Court permitting her so to do, and denies that she has at any time ever intended becoming a citizen of any foreign country.

-6-

This plaintiff alleges that she had need of additional property for the care and protection of herself and her said minor child and for the purpose of sustaining and adding her property holdings for her own benefit and for the benefit of said minor child. That the property of this defendant consists of real estate and some personal property in and about the vicinity of the Village of Esmond, North Dakota, which property is slightly encumbered. That said Asa J. Styles has real property in and about the vicinity of Esmond, North Dakota, all of which defendant is informed and believes to be heavily encumbered.

-7-

That the said Asa J. Styles is not a person fitted by n nature or otherwise to have the care, custody,- education or control of said minor child, that he is nervous to a degree which at many times takes a form of madness bearing insanity, at which times he has fits of uncontrolable temper or temper which he utterly fails to control, and during which times he threatens and attempts to take human life and life of dumb animals, and during which times he uses in the presence of said Edith Lillian Styles, and others, most foul talk and indecent language and often raves himself to a madness during which times he refuses to control or to attempt to control himself.

That said Asa J. Styles has been permitted to take said child to his office almost daily since the making of said decree of divorce and during such times has been with her. That his

Knauf & Knauf
Attorneys at
Jamestown, N.D.

actions toward her at such times make her very nervous and high strung, causing much work and care on the part of this defendant to have her recover therefrom and to make her rest and comfortable. That when said child was small and long before she was born the said Asa J. Styles would curse in the presence of said child and its mother and that said plaintiff by his conduct unstrung said child's nerves and made her very nervous. She alleges that said child is not a fit person to be entrusted to the care of said plaintiff and he is not a fit person to be in charge of her and has in no manner, financially, by training, by temperment or in any manner the right ability to care for, control and educate said child and the love he professes for said child is founded on hypocricy and an innate desire to plague and torment this defendant, regardless of the welfare of said child.

-8-

That since on or about the 30th day of October, A.D. 1914 the said minor child has been incarcerated fifteen miles from Esmond, North Dakota and fifteen miles from a doctor, and in a claim shanty of three small rooms with another family by the name of Truman with several children, only partially clothed, illy fed and without her mother's care, control and attention.

-9-

That said minor is of a delicate temperment and is feeble and at times in need of a physician's care constantly and that a change of climate and scenes would be highly beneficial to her.

-10-

That this defendant should not be put to the heavy cost of defending this action, that the plaintiff should be compelled to pay for attorney fees, witness fees, costs and expenditures herein in the sum of $800.00 necessarily incurred herein.

WHEREFORE defendant prays:

That the plaintiff's complaint herein be dismissed,

Knauf & Knauf
Attorneys at Law
Jamestown, N. D.

For a further and a second cause of defense in said matter this defendant answering says:

-1-

She re-alleges each and every statement and allegation hereinbefore set forth as fully as though the same were set out herein verbatim.

-2-

This defendant alleges that the decree and judgment in the action referred to in the plaintiff's complaint wherein the plaintiff herein was defendant and this defendant was the plaintiff, and which decree of divorce and judgment for the care and custody of the said child was entered on August 10th, 1914, in the office of the Clerk of the District Court in and for the County of Benson in the second judicial district in the State of North Dakota, and was then entered and recorded in Book 91 of Judgments on page 65, and that said decree of divorce has never been reversed and has never been modified, and that this Court is without jurisdiction in this matter at this time by reason of the facts aforesaid, and that this defendant further alleges that this action at bar is brought for the purpose of harassing and annoying this defendant.

WHEREFORE Defendant prays:

(1) That the plaintiff's complaint herein be dismissed,

Knauf & Knauf
Attorneys at L[illegible]
Jamestown, N. D.

(2) The injunctional order hereinbefore issued vacated,

(3) The decree of divorce rendered in said action referred to in plaintiff's complaint be amended and modified so as to award the plaintiff the full care, custody and control and education of said minor child until she reaches the age of eighteen years, with the privilege of removing her from the State of North Dakota, as may seem best for her welfare,

(4) For costs in the sum of $300.00 for costs and attorney fees herein.

(5) For costs of this action and for such other and further relief as to this honorable court may seem meet and just.

M. Lillian Styles, being first duly sworn, deposes and says that she is the defendant in the above entitled action; that she has read the above and foregoing Answer, knows the contents thereof and that the same is true of her own knowledge, except as therein stated on information and belief, and as to those matters she believes it to be true.

In re Edward Llewellyn Purdon dec'd.

STATEMENT OF FACTS
for Certificate of Counsel

On the 24th. of October 1883 Miss Annie Stephanie Hickson was married to the late Dr. Henry Purdon.

There was issue of the marriage two children only namely the above named Edward Llewellyn Purdon who was born on the 14th. August 1870 and Stephen Robert North Purdon who was born on 23rd. July 1872.

Edward Llewellyn Purdon became a Naturalized Canadian and died at sea intestate and without issue having been married on the 8th. day of April 1901.

The other son Stephen Robert North Purdon is still living.

Mrs. Purdon has received a notification from the Department of the Interior Canada to the effect that the said Edward Llewellyn Purdon's "Legal Representative" is entitled under the Canadian Volunteer Bounty Act 1908 to a Land Warrant entitling him to a grant of land in Canada as a reward for the deceased's military services during the South African War.

On communicating with the Department in question as to the steps to be taken to secure the Grant Mrs. Purdon has been informed that amongst other things it would be necessary for her to furnish a certificate to be sworn by a Judge or Court in Ireland to the effect that accepting the above statements as correct Mrs. Purdon and her son who is living are the only heirs of law of the deceased Edward Llewellyn Purdon according to the laws of Ireland or of Great Britain and Ireland.

On behalf of Mrs. Purcell our Solicitors wrote to the Department in reply stating that there was no necessity for obtaining such a certificate from a Judge or Court in Ireland and suggesting that a Certificate of a Member of the Irish Bar should be accepted instead. They also stated that according to the law in Ireland the late Edward Llewellyn Purcell's heir at law was his brother and that he would be the person who in this Country would be entitled to succeed to the deceased's real estate as he died intestate and without issue and that there was no legal expression known to the law in Ireland as "Legal Representative" but there was the "Heir at law" of a deceased person and the "Legal personal representative" who might or might not be the same individual but that the real estate of an intestate would go to the heir at law and the personal estate to the legal personal representative.

In reply to this the Secretary to the Department of the Interior wrote stating that in lieu of the certificate from a Judge or Court referred to the same effect signed by a Member of the Bar practising in Dublin who would also certify that such a Certificate could not be obtained from a Judge or Court in Ireland and that the statements made as to the terms "Heir at law" "Legal representative" and "Legal personal representative" were correct together with a certificate signed by the agent of the Canadian Government in Dublin that the Member of the Bar who signed such certificate was known to him as a reliable lawyer in good standing these two documents would be accepted in lieu of the certificate previously called for.

2

Certificate of Counsel P.C.O.

CERTIFICATE OF COUNSEL

I hereby certify that according to the law of Ireland there is no person in whom an intestate's property both real and personal will on his death vest as his representative. The expression "legal representative" is unknown to the law in Ireland.

Except in the case of lands purchased under the Irish Land Purchase Acts a deceased intestates real estate to which he was entitled otherwise than by descent (i.e. otherwise than as himself the heir-at-law of a previous intestate) vests immediately on his death in his heir-at-law

In the facts above stated Stephen Robert Ward Purdon is the heir-at-law of Edward Llewellyn Purdon according to the laws of ~~Great Britain~~ England and Ireland.

A deceased person's personal estate only vests in his "legal personal representative".

No Court or Judge in Ireland would give such a Certificate as was applied for by the Department of the Interior Canada.

cases, these assignments were returned with the intimation that they could not be accepted by the Department, as they had been executed by a minor.

It does not appear possible to comply with Mr. Short's request and put the assignments through, as he fears some unscrupulous person might succeed in procuring a transfer of the land after Miss Sylvestre comes of age, and defeat the present assignees' claims.

Under the circumstances, however, the assignments in question might be retained here until they are confirmed by new assignments obtained after the end of September next, from Miss Sylvestre, or if this cannot then be done the Department might as a special case accept the present assignments, provided they are not repudiated by the assignor within 30 days after she has reached her majority, or say before the 31st October next.

Memorandum:-

I beg to return Mr. James Short's letter of the 18th instant, respecting the assignments from Lucia Sylvestre, of the S.W.¼ of Section 15, Township 15, Range 27, West 4th Meridian, to Eliade K. Currey, and the N½ of the S.E.¼ of the same Section, to Frederick E.Currey.

Complaint is made that Miss Sylvestre's assignments have been refused by the Department because the assignor is not 21 years of age, and will not attain that age until September next, whereas upon enquiry which had been previously made of the Department, it was stated that the said Lucia Sylvestre was of age.

In this regard I beg to report that enquiry was made by the Alberta Colonization Company as to the respective ages of several Half-breeds, including Lucia Sylvestre, and unfortunately the information in this case was taken out of the Half-breed index, which gave the year of birth, 1888, no month being given, and in consequence her age was put down as 21 years, but according to the application for scrip of Miss Sylvestre, which was afterwards examined when the assignments were received here, the month of the year in which she was born is given as September, and in accordance with our practice in all such

cases

Dear Sir:

Re File No. 1724934 - Frederick E. Currey and Lucia Sylvestre and S.W. ¼ and N.½ of S.E.¼ 15-15-27-W.4th

---

Mr. Frederick E. Currey of this City has handed us your letter herein dated June 4th in which you state that Lucia Sylvestre, the transferor of the above land, is not yet of age, having been born in September 1888. You further state that a refund of $2. registration fee will be made to Mr. Currey.

In connection with this matter, we are instructed to enclose you copy of the original letter written by the Alberta Colonization Company of Edmonton to you on March 12th last. It reads:-

"March 12, 1909.

The Honorable the Minister of the Interior,
Ottawa, Ont.

Sir,-

Will you be good enough to inform us, wiring us on receipt of this letter if the following half-breeds are of age, and if their scrip is all ready to be located:-

A. 9934 Marie Janvier 80 acres

A. 8891 Sophia Sylvestre 240 acres

A. 8893 Lucia Sylvestre 240 acres

1878795

A.8894 Caroline Montrgarnd 240 acres

A.8896 Mary Ann rercateler 240 acres.

An immediate reply will greatly oblige.

Yours truly,

Alberta Colonization Co.

"

To this letter you replied by telegram dated Ottawa March 19, 1909.

"Alberta Colonization Company,

Edmonton.

Half-breeds named in your letter 12th inst, of age. No report of location of their scrip received here.

L. Pereira

"

We have also a letter of A. Hudson, a member of the Alberta Colonization Co. to his partner T. Henderson, dated June 14, 1909, verifying the above correspondence.

From this you will see that your Department is to blame for the unfortunate position in which our client Frederick E. Currey now finds himself. Upon receipt of your telegram the Alberta Colonization Co. turned over the scrip of Miss Lucia Sylvestre to Mr. Currey and Mr. Currey paid over his money for the scrip and procured execution of the transfers which were forwarded to your Department, one covering the South West Quarter of Section 15, in favor of his father, Eliada E. Currey, the other covering the North Half of the South East Quarter of Section 15, in his own favor. It means that this land is now vested in the name of Lucia Sylvestre and that any unscrupulous person might get hold of her and have her execute a transfer in their favor and Mr. Currey would be left to his barren remedy of punishing Miss Lucia.

1878795

We return, herewith, the transfers from Miss Lucia Sylvestre of White Fish Lake, in favor of our client and his father, together with the abstract and certificate of executions, and would ask you if you cannot, in view of the circumstances, have the assignment put through.

Yours very truly,
